Homecoming Fun for All

Photos top left (continuing clockwise): **Tanner Treadway** and **Shelby Kreger** are crowned Homecoming King and Queen. **Jett Webster** shows his Falcon pride! **Jaston Reese** takes off down the field. Junior cheerleaders **Emma Duckworth, Abby Strew, Genevieve Young, and Abby Smith** take a break on the sidelines.

Congratulations On a Job Well Done

Thank you all for the outpouring of support for the food drive for Helping Hands. I also want to thank **Dana Johnson** for bringing the need to our attention, and the **Class of 2011 for leading our student body to such a fantastic result.** We accomplished an amazing feat in **collecting over 4,700 food items** for those in need. For every food item we collected, we fed one child 2 meals. If you think about it, **we were able to feed over 9000 children a single meal.** For a school of only 170 students, this is in a word... incredible! As I stood on the sidelines watching our Kindergartener's run through the banner,

holding the hands of varsity football players, and donning oversized jerseys, I saw more than a reward for a job well done by one class of students. **I saw the essence of what we are as a school.** We are more than a school where Excellence is pursued at each

endeavor. We are more than a school where we teach Honor as the most valuable human asset. We are more than what this food drive was about... teaching Service to others as the highest human calling. **We are more than a school... WE ARE FULTON!**
